How to Register for the NC State Summer Undergraduate Research Symposium

Registration opens on June 16 and closes on July 20 at noon!

Information:
http://go.ncsu.edu/Summer_Symposium_Info
Registration Site:
http://go.ncsu.edu/Summer_Symposium
Mentors - please go to the Mentor Login Page

UNDERGRADUATE STUDENT USERS

If you are the lead student presenter and have not previously registered with the 2015 NC State Summer Undergraduate Research Symposium, please select the symposium link below to begin registration.

Undergraduate Co-Presenters PLEASE DO NOT register if you are not the lead student presenter. Co-Presenters will be emailed a registration link to confirm the information provided by the lead presenter.

If you have previously registered, please login using the adjacent form.

Symposium Registration - Step One

1 week ago 12:23 PM

From: undergraduate-research@ncsu.edu

To: Judy Day

Judy Day,

You have begun your registration for the NC State University Undergraduate Research Symposium, now follow the directions below to complete your registration.

Instructions:

1. Please note that the deadline for registration and abstract submission for this Symposium is July 20, 2015 at Midnight. Absolutely no additional registrations will be allowed after this time.

2. You must complete each step of the registration process. You can return to add additional information until you submit the abstract for approval. Check that all information is correct prior to abstract submission to the mentor for approval.

3. If your mentor is not in the pull down list, please request that your mentor be added. You will be required to provide your mentor's name, university or other affiliation, email, and phone. Other information requested is the College and Department within the University. It may take 24 hours for your mentor to be added to the pull down list.

4. Once you have submitted your abstract for approval, your abstract and information will be locked to prevent any additional changes. If you realize that you need edits, contact your mentor to not approve the abstract.

5. If your Lead Mentor requests that revisions be made to your information, you will be notified by email. At that time you will be allowed to edit information.

6. Once the abstract is approved, no changes will be allowed.

7. The poster appointment process will not be affected by the above mentioned lockouts except the registration deadline. You are encouraged to sign up for a poster printing appointment as soon as you begin the registration process. You do NOT have to have the abstract in place to sign up for a poster printing appointment. You do NOT have to have a poster printing appointment to participate in the Symposium.

8. Please contact the Office of Undergraduate Research (undergraduate-research@ncsu.edu), Division of Undergraduate Academic Programs or Judy_Day@ncsu.edu if you have any questions regarding the Symposium.

9. Please contact the CALS Web Development Group (cals_webapp@ncsu.edu) if you have any problems with the website.

Thank You

Total Poster Printing appointments remaining - 324

Instructions: Please read before beginning to complete each step!

1. Please note that the deadline for registration and abstract submission for this Symposium is **July 20, 2015 at Midnight**. Absolutely no additional registrations will be allowed after this time.
2. You must complete each step of the registration process. You can return to add additional information until you submit the abstract for approval. Check that all information is correct prior to abstract submission to the mentor for approval.
3. If your mentor is not in the pull down list, please request that your mentor be added. You will be required to provide your mentor's name, university or other affiliation, email, and phone. Other information requested is the College and Department within the University. It may take 24 hours for your mentor to be added to the pull down list.
4. Once you have submitted your abstract for approval, your abstract and information will be locked to prevent any additional changes. If you realize that you need edits, contact your mentor to not approve the abstract!
5. If your Lead Mentor requests that revisions be made to your information, you will be notified by email. At that time you will be allowed to edit information.
6. Once the abstract is approved, no changes will be allowed.
7. The poster appointment process will not be affected by the above mentioned lockouts except the registration deadline. You are encouraged to sign up for a poster printing appointment as soon as you begin the registration process. You do NOT have to have the abstract in place to sign up for a poster printing appointment. You do NOT have to have a poster printing appointment to participate in the Symposium. **Please be aware of the location of your appointment!**
8. Approved file formats for posters: PPT, PPTX or PDF. If PDF, bring your laptop with you if you think you will need to make changes to the poster. We only have Office programs available in the lab.
9. Know how to get to the appropriate computer lab if you request a poster printing appointment. Appointments are tightly scheduled and we will be unable to excuse tardiness due to an inability to locate the lab.
10. Please contact the Office of Undergraduate Research (undergraduate-research@ncsu.edu), Division of Undergraduate Academic Programs if you have any questions regarding the Symposium.
11. Please contact the CALS Web Development Group (cals_webapp@ncsu.edu) if you have any technical problems with the web site.

Your request has been submitted.

You have scheduled a Symposium Large Format Printing Appointment. If you need to change or cancel this appointment, please do so prior to one hour before the appointment start time by returning to the Abstract Registration Page and selecting the "Edit/Cancel Poster Print Appointment" button under "Step Two: Poster Print Information".

Date: 7/15/2015  
Time: 8:30 AM - 9:00 AM  
Location: 1400 Williams Hall

Please review the directions to your printing location. If you are not familiar with the location, please visit the site BEFORE your appointment to orient yourself. We are not able to grant additional time or reschedule your appointment because you were not able to find the location.

Appointments consist of ONE draft quality print and ONE final quality print.

Appointment Preparation

1. Please arrive on time and at the correct location. Your allotted time will not be extended if you are late.
2. Please be prepared to print a draft of your poster when you arrive. You will have a small amount of time to correct any errors prior to a final quality print.
3. Please bring your file on a CD or a flash drive. Files cannot be retrieved from your personal file space, laptop or email.  
If you need further assistance, then please contact caat_help@ncsu.edu.

You have submitted your abstract to Chris Ashwell for approval.

Your abstract and information is now locked to prevent any additional changes. If you realize that you need edits, contact your mentor to not approve the abstract!

If your Lead Mentor requests that revisions be made to your information, you will be notified by email. At that time you will be allowed to edit information.

If the abstract is approved, you will be notified by email and no further changes will be allowed.

The poster appointment process will not be affected by the above mentioned lockouts except the registration deadline. You are encouraged to sign up for a poster printing appointment as soon as you begin the registration process. You do NOT have to have the abstract in place to sign up for a poster printing appointment.

Thank you,

Undergraduate Research Office
Judy Day,

Your lead faculty mentor has not approved your abstract. Please return to the Registration System and select "View Revision Requests" (at the bottom of the screen below Step Six) to view the requested edits. Once you have fixed the problems, please re-submit your abstract for approval.
